

Personal data privacy policy of "Hemus Consult" EOOD

The described privacy policy is intended to help to understand how the personal data collected by us in connection with the use of our website - www.hemusbg.org and participation in the International Exhibition of Defense Products and Services "Hemus" is processed.

The protection of the personal and financial information of our customers and partners is a priority for the organizers of "Hemus", therefore when processing this information we are guided by the applicable legislation, namely: Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 (better known as GDPR).

1. Who processes and is responsible for your personal data

The website www.hemusbg.org is managed by "Hemus Consult" EOOD, (EIK - 115101967), a commercial company registered in the Commercial register and register of NPLE at the Registry Agency, with headquarters and management address: 4000 Plovdiv, " Hristo Botev" Blvd. No. 116, office 6, Tel: +35932620300, E-mail: office@hemusbg.org.

In the sense of Art. 4, paragraph 7 of Regulation 2016/679 "Hemus Consult" EOOD is the administrator of personal data.

A representative of the company can be contacted at the above address, telephone and e-mail.

2. Types of data we process:

"Hemus Consult" EOOD processes the following types of personal data:

- names,
- phone number,
- mailing address;
- e-mail address.

We do not process personal data revealing racial or ethnic origin, political views, religious or philosophical beliefs, trade union membership, genetic data and biometric data.

3. Legal basis for data processing and the purpose for which they are collected

"Hemus Consult EOOD" processes your personal data on the basis of Art. 6, paragraph 1 "a" and "b" of the General Regulation on the protection of personal data.

The data we require to be provided to us is in connection with our desire to be as correct as possible in the performance of our duties and to respond as best as possible to the requirements of our partners and customers.

The data is used in the processing of the received applications for participation in the International Defense Products and Services Exhibition - "Hemus" and the provision of the necessary services, to achieve maximum satisfaction on the part of the participants, and in the implementation of concluded agreements and contracts.

The data provided is also used in connection with the direct marketing and the provision of more complete information about a specific event, as well as for issuing accounting documents and making bank transfers. In connection with the use of personal data for marketing purposes, the data we collect is related to making contacts with executives and individual employees of our customers and other partners with whom we have an existing business relationship. We send informational messages to

individuals in companies with whom we wish to develop or maintain business relations in connection with the organization of “Hemus”, in accordance with applicable laws. Personal data used for marketing purposes includes relevant business information such as: contact details, publicly available information and other business information.

We categorically exclude the transmission of this data to third parties.

In order to provide better service, we will contact you if we need additional information.

The purposes for which we use your personal data are related to:

- Provision of our products and services related to the International Defense Products and Services Exhibition – “Hemus”;
- Facilitating communication with you;
- Financial and accounting activity;
- Complying with legal requirements, such as mandatory filings, conducting audits, statutory inspections and other requests by state public authorities, administrative and judicial proceedings, exercising legal rights and remedies, complying with internal policies and procedures or protecting the legal rights.

4. Persons to whom the data will be provided

Limited number of people directly related to the organization and holding of the International Defense Products and Services Exhibition - "Hemus" and the provision of the requested services have access to the information received.

Personal data may be disclosed, if necessary, to insurance companies and competent authorities in connection with arising claims, disputes, legal claims and proceedings.

Personal data can also be provided to representatives of governmental and international organizations, companies and scientific institutes if there is a declared desire to organize meetings.

Personal data may also be provided to other public authorities that regulate the activity or have jurisdiction over "Hemus Consult" EOOD, such as regulatory authorities, law enforcement authorities, public authorities and judicial authorities, subject to compliance with current legislation.

5. Storage and protection of personal data; Use of “cookies”

Personal data is stored on personal computers and servers protected by technical means and organizational measures to prevent loss, misuse or unauthorized access.

You should keep in mind that the exchange of information over the Internet is inherently insecure, and we cannot guarantee the security of data sent over the Internet.

Данни за контакт (имена, телефон, e-mail адрес се съхраняват в защитена база данни за изпращане на информация и покани за участие в следващо издание на изложението.

Contact data (names, phone, e-mail address) are stored in a secure database for sending information and invitations to participate in the next edition of the exhibition.

Personal data protection measures include: limiting the access to the provided personal data, strict adherence to the rules in the internal policy, appropriate training of the persons responsible for the processing of personal data and compliance with good practices, guidelines and instructions for the

protection of personal data from the competent supervisors. All measures are subject to regular review and are periodically updated.

"Hemus Consult" EOOD implements appropriate technical and organizational measures to protect your personal data against unauthorized or illegal processing and/or against accidental loss, alteration, disclosure or access, or accidental or illegal destruction or damage.

"Hemus Consult" EOOD protects the provided personal data in accordance with the applicable laws and our information security and privacy policy.

The site officially uses "cookies".

"Cookies" are text files placed on your computer to collect standard Internet information and information about visitor behavior.

You can set your browser not to accept "cookies" and to remove "cookies".

More information about the "cookies" and how to remove them can be found at <http://allaboutcookies.org> or <http://cookiecentral.com>

6. What are your rights

You are entitled (in the circumstances and subject to the conditions and exceptions set out in applicable law) as follows:

- right of access to your data;
- right to request correction and deletion of personal data;
- right to restriction of processing;
- right to data portability;
- right to object to automatic processing;
- if the processing is based on consent, right to withdraw the consent;
- right of appeal to a supervisory authority.

7. Period of storage and destruction

Personal data are stored for the periods necessary to achieve the purposes for which they were collected. "Hemus Consult" EOOD takes the necessary technical and organizational measures to destroy data that are no longer needed, except for cases where there is a legal basis to process them for a longer period of time;

It is possible that the Personal Data Privacy Policy of "Hemus Consult" EOOD may be periodically updated, amended and supplemented when the circumstances require it.
